

## SEWING 1.0

Did you know in 1790, the first operating sewing machine was invented & patented by a British man named Thomas Saint? The evolution of sewing has revolutionized our entire world & the way we dress.

Fashion Sewing is one of the most basic & technical art forms to learn as a Fashion Designer. Sewing takes time, patience & precision.

Golden Skyy comes from four generations of Tailors & Master Seamstresses. His master expertise will put you to the test!

We challenge you to take the first step in this Cutting-edge sewing course & shine like a star!

Golden Skyy "Fashion Design Prep Studio" is genetically engineered for the strategic advancement in Fashion & Education!

Our industry is rapidly growing, changing & the competition is FIERCE!

Golden Skyy's mission is to educate inspiring young designers of tomorrow. He breaks down the basic structure of learning and has created a hybrid focus on his core curriculum. This re-engineered method of teaching will allow each student to excel at a much higher pace than your average entry-level student!
